Subject: Request for Project / Internship of B.Tech - Computer Science & Engineering student during their 8th Semester.

Dear Sir / Mam,

We thank you for your support & trust extended to our student to get an opportunity for doing internship in your organisation.

Innovation, excellence and quality are the driving forces for the growth of an institution. At Institute of Technology, Nirma University this vision has been translated into a reality over a short period of time. The institute has come a long way in providing world class pedagogy to it's students and climbed the ladder of success swiftly since it's inception in 1995.

I shall appreciate your help, in accommodating the below B.Tech student for industrial project / internship.
